

# EMS and Logistics Board Report

Division Chief Frank Ehrmantraut

January 2025

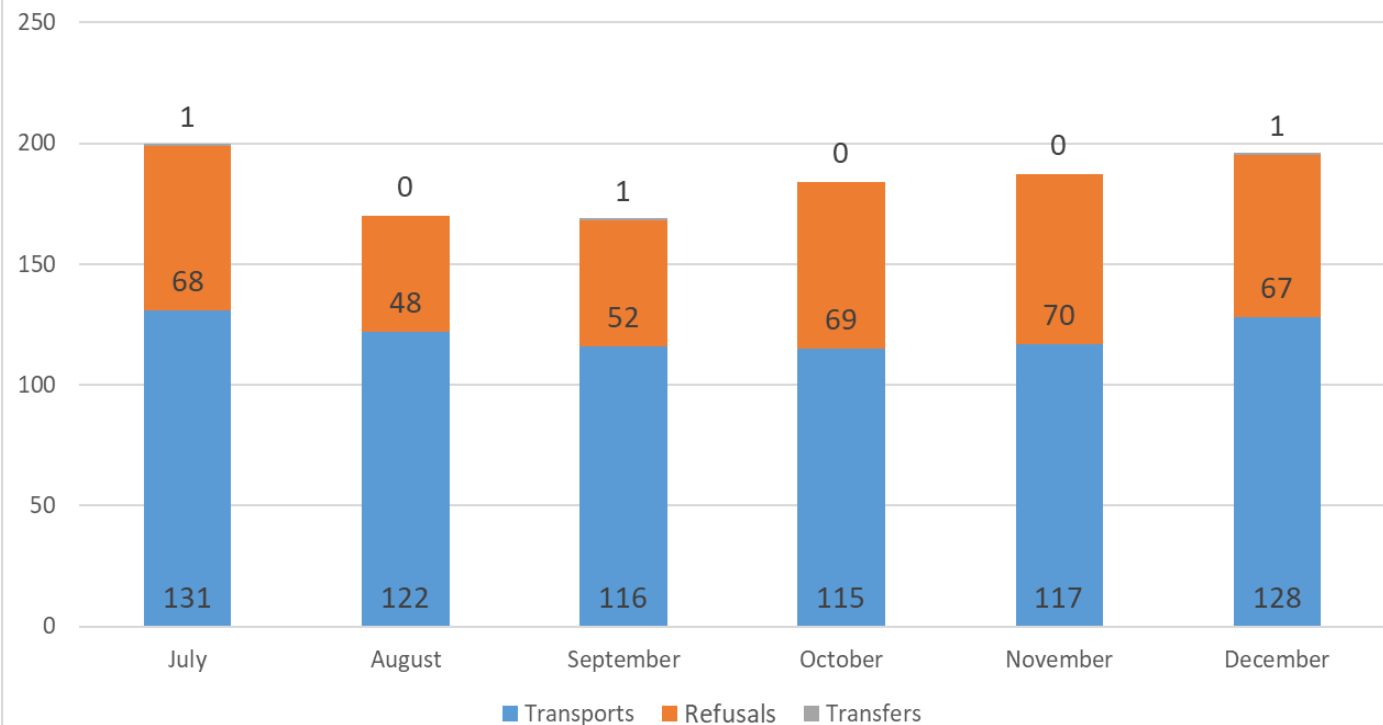

## December's Events

- Local Alcohol and Drug Policy Committee – This County committee invited PCFD to participate in their discussion to understand how alcohol and drug use impacts EMS response. The intent is to understand how their actions can decrease EMS response to these incident types.
- Strategic Plan Meetings – The groups, comprised of volunteers, career staff, and admin, started working on the strategic plan outcomes related to Apparatus Checks and Facility Planning.
- Billing and Compliance Education – A regional training hosted by SW Polk that allowed regional agency EMS representatives to discuss current practices and potential upcoming changes to EMS billing.
- BLS CPR Classes – The District taught several CPR classes this month to local healthcare providers.
- NarcBox Demonstration – Tualatin Valley Fire and Rescue hosted the EMS Committee to show them how TVFR manages controlled medications using the NarcBox hardware and software.
- Blood Drive – The District hosted an American Heart Association Blood Drive.

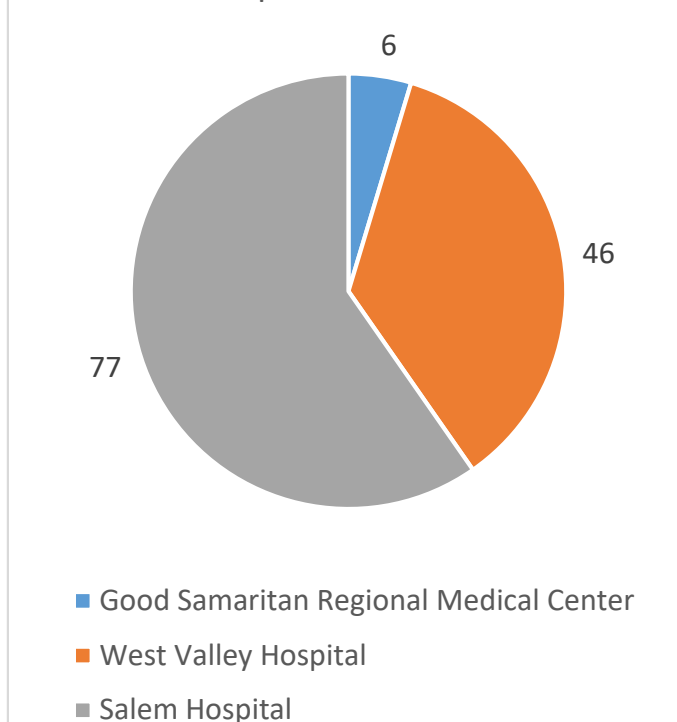

## Apparatus Updates

- E461 – Several repairs completed including new drive tires and an assessment of the steering.
- M480 – Routine preventative maintenance was performed.
